PETRONAS GRAND PRIX OF MALAYSIA 2023 10 - 12 NOVEMBER

Corporate Sales Kit

INTRODUCTION

The 24th edition of the PETRONAS Grand Prix of Malaysia returns on November 10th to 12th, 2023 as Round 19 on the MotoGP™ calendar, held at the renowned Sepang International Circuit (SIC). With its 5.543 km length and 15 turns, promises heart-pumping action with speeds reaching over 300 km/h.

In 2022, following the post-pandemic comeback, the circuit welcomed 163,567 spectators to attend the 3-day event. Francesco Bagnaia from the Ducati Lenovo Team emerged as the winner of the #MalaysianGP, with runner-up Enea Bastianini from Gresini Racing MotoGP™ setting an all-time lap record with a time of 1'57.790 and a top speed of 339.6 km/h. Fabio Quartararo, the 2021 MotoGP™ World Champion, finished in third place. The Ducati team dominated the season, earning the titles of Team World Champion, Constructors' World Champion, and Rider World Champion.

The 2023 season brings new racing machines, rider line-ups, and teams, ready to take the track by storm. Get ready to witness the greatest names in 2-wheel racing, including Francesco Bagnaia, Enea Bastianini, Marc Marquez, Fabio Quartararo, Maverick Vinales, Jack Miller, Miguel Oliveira, and local boy, Syarifuddin Azman, who will make his professional debut in the Moto3™ class with the MT Helmets – MSI Team. The home crowd will have the chance to show their support and wave the Malaysian flag high in pride.

The PETRONAS Grand Prix of Malaysia is a must-see event that ignites excitement among worldwide motorsports fans during the race weekend.

SEATING VIEW

MAIN GRANDSTAND

The North Main Grandstand is facing Pits 1-33 which means spectators get a clear view to see the teams doing their pit activities. It also means they get to watch the Start/Finish of the race from the green light to the chequered flag to the podium ceremony. The South Main Grandstand view comprises at least 6 different turns and a straight from turn 8 to 15, spectators will enjoy the race in all its glory. Giant screens are also available here so that spectators get to follow the entire race. Marc Marquez tribune is located at the upper tier of the North Main Grandstand.

F GRANDSTAND

If you want a panoramic view of the circuit, F provides the best view for your money. Situated opposite the Tower this grandstand overlooks both the North and South sides of the track. Exciting views includes the rear-end of the Start / Finish, the full roller coaster ride of turn 5,6,7,8 and a clear glimpse of the hairpin at the Tower.

K1 GRANDSTAND

Apart from seeing the first corners, the seats also give you a grand view of the main straight & the Start / Finish line. Overlooks the first 2 corners, which are a tight right-hand turn, followed by an immediate left. Accessible from the Welcome Centre. VR46 tribune is located here.

C2 HILLSTAND

This area is a half covered hillstand facing the south track with a clear view of the most challenging half of the track – the south track.
